MENS

SKRAT

A short-sleeve cotton shirt with a stock weight of 185 gm and a classic round, hemmed neckline and printing. The pictures describe almost all freethinking people's activities at home – from sports to unorganized events. The colour scale of the fabrics, together with the selected design, evokes an atmosphere of a painter's palette.

SKRAT+

A cotton shirt with long sleeves. A mixed bag of colours and printing make up the SKRAT models. In contrast to ordinary short sleeve shirts, SKRAT + conforms to the body. The label on the long-sleeved shirt has the new, larger UAX logo – a large fish sewn onto the end of the sleeve.

SKRATFALSH

A shirt with long brown sleeves, however it comes in five SKRAT T-shirt colour combinations. Together that means the SKRATFALSH model. That makes it a popular, comfortable, cotton shirt with printing and long false sleeves. He, who combines UAX, wins.

TRIPAFALSH

A becoming, tight-fitting, cotton shirt with a round, hemmed neckline, and a long false sleeve that is a shade different from the colour of the shirt. The fabric has a stock weight of 180 gm and is adorned with a light, modern cut. It does not have printing nor writing. It comes in seven popular pastel colours. This shirt was created for sportsmen: it highlights the play of muscles.

MIZIP

A clever sweatshirt with a collar and zipper in front. Long sleeves with stretch bands on the end will shelter the longest of arms. The waist has two pockets sewn onto it. The MIZIP model is adorned with a big Uax fish logo. The material - 100 % cotton, the colour – only black or anthracite...

SKAPI

A warm, cotton, one-colour sweatshirt with a hood and the printing of U a x! It is made of a fabric having a stock weight of 380 gm, comes in a very comfortable cut with lengthwise seams, has tightening elastic bands, and pockets sewn onto the front. The hood has a lining. It can be worn year round – even under a jacket in the winter months.

BUNDASKA

An unbuttoning jacket with a hood and the imprinting of a fish. The sleeves end with an elastic band, and an elastic band changes the size of the hood and the bottom of the jacket. It has large, voluminous, comfortable pockets with a lining, into which small change, matches, and gum will no doubt find a home. Made from 100% cotton. It is both stylish and comfortable.

SKAPIX

A warm, cotton, one-colour, unrippable ladies' sweatshirt with a hood and the U A X printing. Its fabric has a 380G stock weight. In contrast to the SKAPIDA model, it has a collar and protects the necks of our loved ones. It has a comfortable cut with comfortable seams that have elastic bands and pockets. It can be worn year round – and under a jacket in the winter.

KOSHILE

A cotton men's sports shirt with short sleeves, and ventilating vent and a net instead of a lining on the back. It comes in grey, dark and light fabrics with or without a chequered pattern. It can be worn tucked into pants or not, out in the country or among high society. Its cut is greatly highlighted by two pockets.

MONTER 3CTVRTE

Tough, light men's three-quarter pants with sewn on pockets on the front and rear. They are artfully backstitched with white thread and the front is held together with a U a x belt. They come in interesting colours and feel like you're wearing nothing when you have them on. Ideal for those who have a tattoo on their calf. Modern, stylish and fashion model's clothing!

Sometimes, I put them on, go out, and turn the corner to the nearest bar. Fortunately, I'm wearing the new Theplaky from the Uax company. They are 100% cotton with an added 2-3% of elasthan mixed in, so that the knees, for example, don't bulge out. The waistband is stretch fitting with an elastic tightening band. It has two side pockets and bell-bottom pant legs. They are even fit for company!

[TRENKY](#)

Extraordinary cotton short pants. They come with 4 types of printing. They come in a variety of colours. Stock weight of 185 gm. Sizes from S to XXL.

WOMAN

SKRATDA

Girls, young ladies, women, and the fairer sex in general, lacked a shirt with printing, a shirt for trips, a shirt for the pub, loose shirts, and outdoor shirts. Now they have them – they can choose from six colours and printing, which are the same as for the SKRAT model. They are looser and allow free movement. Ideal for the outdoors...

SKRATDAFALSH

The women's shirt with long, false sleeves comes in six colours and their combination. The new model "Made in Uax" is selling like hot cakes and all girls, young ladies, and women are crazy about it. The fashion designers of Bernartic nad Odrou utilized the cotton fabric already tried out on the popular SKRAT model for this shirt. "All I can say about this new shirt is that it's great," confided a Uax fan from Kopřivnice. "In the spring it is especially handy to have one in your wardrobe," added another.
