### RETURNS FORM

If your product has failed due to a manufacturing defect, or has arrived damaged we will replace or repair it. Please email us to arrange return of the item, this allows us to deal with your return more efficiently. Once you have contacted us we will issue you with a returns code and instruct you how to return the item.

If you decide that you do not want to keep the goods for any reasons you must notify us within seven days of receiving the goods. You will be required to return the goods at your own expense. We must receive all products in a saleable condition. If the products are not returned in this condition you may not get a full refund.

Simply fill in the form below and send it back to us with your product(s) to the address at the bottom of the form and we'll look after the rest.
